² Notice of United States Postal Service of Filing a Functionally Equivalent Global Expedited Package Services 3 Negotiated Service Agreement and Application for Non-Public Treatment of Materials Filed Under Seal, Docket No. CP2014-79, September 15, 2014, Attachment 4.

This Modification amends the Global Customized Mail Agreement ("Agreement") between and the United States Postal Service ("USPS"), ("Mailer") with offices at an independent establishment of the Executive Branch of the United States Government, with offices at 475 L'Enfant Plaza SW, Washington, DC 20260-9998, signed by the Mailer on September 11, 2014, and signed by the USPS on September 12, 2014. The Maller and the USPS may be referred to individually as a "Party" and together as the "Parties."

The purpose of this Modification is to replace Article 15 Postage Updates and to replace Annex 1.

First, Article 15. Postage Updates is replaced with the following.

ARTICLE 15. POSTAGE UPDATES

- 3. Any revision of prices in Annex 1 shall not be retroactive.
- No price shall increase beyond the non-discounted published price for the affected service.

Second, Annex 1 of the Agreement is replaced by the revised Annex 1 attached to this Modification.

The USPS will notify the Maller of the Effective Date of this Modification within thirty (30) days after receiving the approval of the entities that have oversight responsibilities for the USPS.

All other terms and conditions of the Agreement shall remain in force.

The Parties acknowledge that this Modification may not be approved by such individuals or bodies. Until such time that all Conditions Precedent are fulfilled that are necessary to allow the USPS to provide the products or services contemplated under the Agreement, no obligation shall exist for the USPS and no benefit shall inure to either Party. In the event that the Conditions Precedent are not fulfilled, the USPS shall have no liability, which shall include no obligation to pay costs associated with any action taken by the Mailer prior to the Effective Date of this Modification. Further, in the event of termination of the Agreement or the failure of any Condition Precedent, the USPS shall not be held liable for any damages including, without limitation, actual, special, indirect, incidental, punitive, consequential, or any other damages, which shall include but not be limited to damages for loss of business profits; business interruption; any other loss; and/or any costs incurred by either Party attributable to such non-approval such as attorney's fees.

The Mailer acknowledges that the Modification and supporting documentation will be filed with the Postal Regulatory Commission ("Commission") in a docketed proceeding (CP2014-79). Certification of Prices for the Global Expedited Package Services Contract with

Department, United States Postal Service, am familiar with the prices for the Global Expedited Package Services Contract with Contract were established by the Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Global Expedited
Package Services Contracts, issued May 6, 2008 (Governors' Decision No. 08-7), which established prices by means of price floor and ceiling formulas.
I hereby certify that the numerical cost values underlying the prices in the Contract are the appropriate costs to use in the formulas and represent the best available information. The prices, resulting in a cost coverage of in excess of the minimum required by the Governors' Decision, exclusive of pickup on demand and international ancillary services fees, are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). The prices demonstrate that the Contract should cover its attributable costs and preclude the subsidization of competitive products by market dominant products. International competitive mail accounts for a relatively small percentage of the total contribution by all competitive products. Contribution from Global Expedited Package Services Contracts should be even smaller. The Agreement with should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
